2 activity options

Option 1

– Set up a YES / NO wall in the room.
– Ask the leaders/volunteers to read out their list of promises. After each has read out their list ask the Colony to vote YES or NO for each leader/volunteer.
– Add up the votes for each to declare one leader/volunteer the winner.

Option 2
– Set up a table with 4 bowls. Each bowl containing different flavour crisps, different types of chewy sweets, different types of chocolate for example.
– Explain to the Scouts that they are to go and have a taste from each bowl.
– Once they have tasted ask them to sit down and think of which one was the best and should be the ‘Official Colony Log Chew Snack’.
– In a corner of the room set up a table with a ballot box and ballot papers.
– Ask each individual to go up and vote for their favourite snack.
– Add up the votes and reveal the results. How do they feel?
