SL(5)265 – The Ecclesiastical Exemption (Listed Buildings and Conservation Areas) (Wales) Order 2018

Procedure: Negative

This Order revokes and replaces the Ecclesiastical Exemption (Listed Buildings and Conservation Areas) Order 1994 for Wales.

Section 60(1) and (2) of the Planning (Listed Buildings and Conservation Areas) Act 1990 (“the 1990 Act”) provides that ecclesiastical buildings which are for the time being used for ecclesiastical purposes are not subject to sections 3A, 4, 7 to 9, 47, 54 and 59 of the 1990 Act. This is defined in article 2 as listed buildings ecclesiastical exemption. Those sections relate to listed building control, including: building preservation notices; restrictions on works of demolition, alteration or extension; compulsory acquisition of buildings in need of repair; urgent preservation works by a local authority and the Welsh Ministers; and offences in relation to intentional damage.

Section 75 of the 1990 Act provides that ecclesiastical buildings which are for the time being used for ecclesiastical purposes are not subject to section 74 of the 1990 Act. Section 74 relates to the control of demolition of buildings in conservation areas. This is the conservation area consent ecclesiastical exemption.

This Order removes the listed buildings ecclesiastical exemption in the case of all ecclesiastical buildings other than for those cases falling within article 4. Under article 4 the exemption is retained in respect of church buildings of the Church in Wales, the Church of England, the Roman Catholic Church, the Methodist Church, the Baptist Union of Great Britain and the Baptist Union of

Wales provided that the building in question's primary use is as a place of worship and subject to the restrictions set out in that article.
