Restrictions) (Wales) (Amendment)
(No. 7) Regulations 2020**

EXPLANATORY NOTE

(This note is not part of the Regulations)

Part 2A of the Public Health (Control of Disease) Act 1984 enables the Welsh Ministers, by regulations, to make provision for the purpose of preventing, protecting against, controlling or providing a public health response to the incidence or spread of infection or contamination in Wales.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Wales.

Regulation 2 of these Regulations amends the Health Protection (Coronavirus Restrictions) (Wales) Regulations 2020 (“the principal Regulations”).

The amendments consist of provision—

- (a) enabling members of a household to agree with one other household to form an extended household, and where an extended household has been formed references in the principal Regulations to a “household” mean the extended household;
- (b) revoking the requirement in the principal Regulations not to leave the area local to the place where a person is living unless you have a reasonable excuse;

- (c) rationalising the different restrictions on gatherings indoors and outdoors currently in regulations 8 and 8B of the principal Regulations;
- (d) clarifying that indoor visitor attractions are required to be closed;
- (e) clarifying that it is a reasonable excuse to gather together with others to participate in activities organised at outdoor visitor attractions, but only in accordance with the physical distancing requirements in regulation 6 of the principal Regulations.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has not been prepared as to the likely cost and benefit of complying with these Regulations.

Regulations made by the Welsh Ministers, laid before Senedd Cymru under section 45R of the Public Health (Control of Disease) Act 1984 (c. 22), for approval by resolution of Senedd Cymru within twenty-eight days beginning with the day on which the instrument is made, subject to extension for periods of dissolution or recess for more than four days.

The Welsh Ministers make the following Regulations in exercise of the powers conferred by sections 45C(1) and (3)(c), 45F(2) and 45P of the Public Health (Control of Disease) Act 1984(1).

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Wales.

The Welsh Ministers consider that the amendments made by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.
