Dear Andrew,

Thank you for your Written Question: WQ88316 - Does the Welsh Government have an approximation of the underspend on concessionary fares for 2022-23?

This is a demand led scheme and general usage of the scheme is c. 60% of pre Covid figures. The approximation of the underspend on concessionary fares for 2022-23 is c. £12m. However, this figure could change once we have the final figures in from local authorities which are expected by the end of the Summer.

.

Yours sincerely
