

SL(5)746 – The Climate Change (Interim Emissions Targets) (Wales) (Amendment) Regulations 2021

Background and Purpose

Part 2 of the Environment (Wales) Act 2016 (“the 2016 Act”) requires the Welsh Ministers to put in place statutory emissions reduction targets for reducing emissions of greenhouse gases in Wales.

Section 29 of the 2016 Act (as amended by the Environment (Wales) Act 2016 (Amendment of 2050 Emissions Target) Regulations 2021) requires that the Welsh Ministers ensure that the net Welsh emissions account for the year 2050 is at least 100% lower than the baseline

Section 30 of the 2016 Act requires that the Welsh Ministers make regulations to set interim emissions targets for the years 2020, 2030 and 2040.

These Regulations amend the Climate Change (Interim Emissions Targets) (Wales) Regulations 2018 by increasing the interim targets for 2030 and 2040 from “45%” to “63%” and “67%” to “89%”, respectively.

These Regulations form part of a suite of four instruments that are referred to collectively as the Climate Change (Wales) Regulations 2021.

Procedure

Draft Affirmative.

The Welsh Ministers have laid a draft of the Regulations before the Senedd. The Welsh Ministers cannot make the Regulations unless the Senedd approves the draft Regulations.

Technical Scrutiny

The following point is identified for reporting under Standing Order 21.2 in respect of this instrument:

1. Standing Order 21.2(vi) – that its drafting appears to be defective or it fails to fulfil statutory requirements.

The preamble refers to a draft of the regulations being “laid before and approved by a resolution of *the Senedd Cymru*” [*emphasis added*]. It appears that the inclusion of the definite article is erroneous, as the Government of Wales Act 2006 refers to “Senedd Cymru” throughout, without “the” preceding it.

Merits Scrutiny

No points are identified for reporting under Standing Order 21.3 in respect of this instrument.

Welsh Government response

The Committee has raised 1 technical point in relation to these Regulations.

The Committee has identified that the preamble refers to a draft of the Regulations being laid before and approved by a resolution of “the Senedd Cymru”. This is at odds with the definition in the Government of Wales Act 2006, of “Senedd Cymru”, i.e. with no definite article.

We accept that the inclusion of the definite article is erroneous. If approved by the Senedd this will be corrected in the version to be signed by the Minister.

We thank the Committee for their consideration of these Regulations.

Committee Consideration

The Committee considered the instrument and Government response at its meeting on 1 March 2021 and reports to the Senedd in line with the reporting point above.
