ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Disease Control (Interim Measures) (Wales) Order 2003

This order, which replaces the 2002 order, contains controls in relation to the movement of cattle, deer, goats, pigs and sheep.

Standing Order 11.5

No points are identified for reporting under SO 11.5.

Observations

It would be helpful if the cessation date was mentioned in the explanatory note.

In article 13(2) it seems that “authority” should really be “authorisation”.

Mick Bates AM
Chair, Legislation Committee

18 March 2003
