Education and Skills, on 4 January 2012**

**At/To Darren Millar:**

In my reply to your Written Assembly Question WAQ58449 on 9 December, I promised to write further with details of RAISE grant schools expenditure by Assembly Constituency and detailed in terms of location of schools in receipt of grant.

I now enclose a table which provides this information for the first three years of the RAISE grant (2006-2007 to 2008-2009). For the fourth and final year of the RAISE grant to schools, the available funds were distributed on a regional basis to clusters of schools, so I regret that a breakdown of expenditure by Assembly Constituency for that year is not available.

In collating the information for the first three years, my officials identified some discrepancies in the 2006-2007 allocations by local authority, provided in my answer to your related question WAQ58448. Therefore, a revised table is also enclosed with this letter.
