Notes

The above table shows a selection of values and proportions taken from the 2001 Census of Population Key Statistics results for National Assembly for Wales Constituencies and Regions. The Office for National Statistics published these figures on 3 April 2003. Comparisons with the proportions for Wales as a whole are also shown, alongside comparisons with 1991 Census data where possible.

- (a) In 1991, the question was "Does the person speak Welsh?" (rather than "Can")
- (b) In 2001, this includes those of "Mixed" ethnic origin. This category was not identified separately in 1991
- (c) Figures for 1991 are for the European Union prior to enlargement (but include the Republic of Ireland)
- (d) Figures for 1991 are for Divorced people only (ie: excludes those who are separated)
- (e) Figures for 1991 are for those aged 16+ in employment and were based on a 10% sample
- (f) Figures for 1991 are for those aged 18+ and were based on a 10% sample
