Dear Andrew

I am writing in response to your written question WQ92139 tabled on 18/03/2024 - Will the Minister provide an update on what action they are taking to improve public transport connections in semi-rural areas?

In March we published additional Regional Transport Plan (RTP) guidance specifically on improving rural transport. Our officials will, with Transport for Wales, support Local Authorities and Corporate Joint Committees to apply this to their RTPs, along with other actions, to benefit rural transport.

Yours sincerely
