8 July 2015

Dear Assembly Member

I am writing to provide you with an update regarding Parc Cybi at Holyhead, following a question in Plenary on 15 June.

I have asked my officials to work with Parc Cybi to determine what support may be available to help them to advertise the lorry park. I have also written directly to the Road Hauliers Association asking them to make their members aware of the park and its facilities.

In addition, we will be fully considering the options for signing to the park from the A55.

*Edwina Hart*
