The Minister for Health and Social Services (Lesley Griffiths): On 6 December 2012, I launched a national Stroke Delivery Plan for the NHS in Wales and its partners, which was informed by the Committee's Report. The plan includes a range of commitments to help prevent strokes, make treatments comparable with the best in Europe and improve health outcomes for those who suffer a stroke. The Stroke Delivery Plan is focused on prevention, early detection and on improving the quality of stroke services across Wales.
