

YOUR SENEDD

working for you

Wales has its own parliament – **the Senedd.**

- ◆ The Senedd **passes laws** about all sorts of things which affect your daily life.
- ◆ It **debates key issues** like healthcare, education, transport, farming, culture and the environment.
- ◆ Wales is divided into 16 voting areas called constituencies.
- ◆ Six Members have been elected in each constituency. They represent you and your community in the Senedd.

Find your constituency and your Members by scanning the QR code or visit:
