Dear Llyr

Your recently Tabled Senedd Question WQ87091 which sought the locations of the additional 500 community beds secured by the Welsh Government to increase NHS bed capacity.

I am grateful to you for formally raising this issue again as it follows our recent exchange during my Oral Statement on Winter Pressures of 10 January. During that exchange I undertook to provide you detail of the location of the (at that time) 508 additional community beds. I am pleased to provide that information here, noting that this most recent information now refers to 538 beds confirmed by local health boards and local authorities, with more currently being developed.

Local Health Board Region	Total Community Beds
Cardiff and Vale	26
Cwm Taf Morgannwg	63
Gwent	98
West Glamorgan	154
West Wales	34
North Wales	140
Powys	23
Total	538

Yours sincerely,

Eluned Morgan AS/MS
