Dear Andrew,

I am writing in response to your written question reference WQ88836 regarding now many meetings did the Minister have with local authorities on the 20mph speed limit a) prior to the Welsh Government's announcement and b) post-announcement.

It's difficult to quantify an exact number as 20mph has come up in many meetings with LAs where the topic of the meeting wasn't to discuss 20mph.

I meet with local government representatives across Wales on a regular basis, to discuss a range of topics, including the implementation of the default 20mph speed limit.

I also held a summit on 3 July where all the LA leaders, Cabinet Members for Transport, CEOs, Directors of Transport, Directors of Highways and Transport, 20mph LA officers, 20mph LA Comms officers and more were invited to attend

Yours sincerely,

**Lee Waters AS/MS**  
**Y Dirprwy Weinidog Newid Hinsawdd**  
**Deputy Minister for Climate Change**
