Dear Darren,

I am writing to response to WQ81623: Will the Minister publish evidence to demonstrate that there has been sufficient, sustained and significant improvement to warrant the lifting of special measures at the Betsi Cadwaladr University Health Board in relation to public engagement and public confidence?

My decision to de-escalate Betsi Cadwaladr University Health Board from special measures to targeted intervention was based on clear advice from Welsh Government officials, following discussions by the tripartite group.

Yours sincerely,
