Cynhyrchu ynni yng Nghymru yn y dyfodol

Mynegwn y dylai cynhyrchu ynni yng Nghymru yn y dyfodol fod trwy brosesau adnewyddol ac y dylid trosglwyddo adnoddau o ynni niwclear i ynni adnewyddol i'r diben hwnnw.

Future energy production in Wales

We affirm that future energy production in Wales should be through renewable processes and that resources should be transferred from nuclear to renewable energy to that end.

Mae'r Cynulliad Cenedlaethol yn credu mai'r Bwrdd Cyflogau Amaethyddol yw'r fforwm mwyaf priodol o hyd ar gyfer amddiffyn cyflogau, telerau ac amodau gweithwyr amaethyddol sydd ar gyflogau isel. Y Bwrdd Cyflogau Amaethyddol yw'r fforwm mwyaf effeithiol o hyd ar gyfer parhau i gydfargeinio o fewn y diwydiant, ac o'r herwydd ef sy'n cynnig y dull gorau o warchod gweithwyr amaethyddol.

Mae'r Cynulliad hefyd yn galw ar bob plaid wleidyddol yng Nghymru i ddatgan eu cefnogaeth i'r Bwrdd Cyflogau Amaethyddol, ac i ymrwymo i gynnal ei swyddogaeth fel y fforwm mwyaf priodol ar gyfer amddiffyn gweithwyr amaethyddol sydd ar gyflogau isel.

The National Assembly believes that the Agricultural Wages Board remains the most appropriate forum for protecting the wages and terms and conditions of low-paid agricultural workers. The AWB remains the most effective forum for the continuation of collective bargaining within the industry and thereby the best means of protecting agricultural workers.

The Assembly furthermore calls for all political parties in Wales to state their support for the Agricultural Wages Board, and pledge their commitment to maintaining its role as the most appropriate forum for the protecting low-paid agricultural workers.

Lungs are for Life

Mae'r Cynulliad hwn yn croesawu ymgyrch Cymdeithas Prydeinig yr Ysgyfaint "Lungs are for Life" sy'n tanlinellu peryglon y Firws Syncytiol Anadlol (RSV) i fabanod sy'n cael eu geni'n rhy gynnar; mae'n nodi bod mwy na 2000 o fabanod yn cael eu geni'n rhy gynnar yng Nghymru bob blwyddyn ac mae o'r farn y dylid darparu arian ar gyfer pob triniaeth fodern sy'n mynd i'r afael â'r firws hwn.

Lungs are for Life

This Assembly welcomes the British Lung Foundation's "Lungs are for Life" campaign highlighting the dangers posed to premature babies by Respiratory Syncytial Virus (RSV); notes that over 2000 premature babies are born in Wales each year and believes that resources should be made available for all modern treatments to tackle this virus.

Cyflogau'r Gwasanaeth Tân

Dyma farn y Cynulliad hwn:

- Byddai streic gan y gwasanaeth tân cenedlaethol yn rhoi bywydau mewn perygl ledled Cymru

- Mae amser ar ôl i osgoi gweithredu diwydiannol yn y gwasanaeth tân, ond bod yr amser hwnnw yn dirwyn i ben yn gyflym
- Mae angen strwythur cyflogau proffesiynol ar wasanaeth tân proffesiynol
- Mae'n ddyletswydd ar bob ochr i wneud popeth o fewn eu gallu i geisio dod i gytundeb ar yr anghydfod presennol drwy drafodaeth
- Dylai Cyflogwyr y Gwasanaeth Tân Cenedlaethol ddychwelyd i gynnal trafodaethau ag Undeb y Frigâd Dân gyda'r nod o gytuno ar lefel cyflog broffesiynol a phenodol ar gyfer y gwasanaeth tân

Fire Service Pay

This Assembly believes:

- That a national fire service strike would put lives at risk across Wales
- That there is still time to avoid industrial action in the fire service, but that time is running out fast
- A professional fire service requires a professional pay structure
- All sides have a duty to leave no stone unturned in the attempt to reach a negotiated settlement of the present dispute
- The National Fire Service Employers should immediately return to negotiations with the Fire Brigades Union with the aim of agreeing a correct, professional level of pay for the fire service
