Dear Jenny

I am writing to clarify an answer I gave during First Minister's Question on 12 October in response to your question about the decarbonisation of social homes.

I inadvertently quoted £700m as a figure for this year's budget for the Optimised Retrofit Programme. The actual figure is £70m.

I am happy to correct the record and am copying this letter to the Llywydd. I apologise for any misunderstanding.

Yours sincerely
