Motion Tabled on 1 April 2004

NDM1930 Helen Mary Jones (Mid & West Wales)

To propose that the National Assembly for Wales acting under standing order 31.2:

1. Instructs the Minister for Environment, Planning and Countryside to bring forward draft subordinate legislation to amend the Town and Country Planning (Use Classes Order) 1987 in order to make provisions for the creation of a new class specifically for second homes.
2. Notes that this will provide a mechanism for Local Authorities to have the discretion to manage the level of second homes in areas where high numbers would lead to social problems.

NB - The Cost Benefit Analysis for this subordinate legislation was laid on 12 May 2004 and can be found on the Intranet and Internet.
