## **Presiding Officer's Statement on Legislative Competence**

### **Proposed NHS Redress (Wales) Measure 2007**

In my view the provisions of the proposed NHS Redress (Wales) Measure 2007, introduced by the Minister for Health and Social Services on 2 July 2007, would be within the legislative competence of the National Assembly for Wales.

The Rt. Hon the Lord Elis-Thomas PC AM  
Presiding Officer
