Dear Delyth

I am writing to provide further information in response to your question in Plenary on 16 June 2021 regarding Welsh Government representation on the UK Energy Research Council (UKERC).

I can confirm that the Welsh Government is represented on the UKERC Advisory Board by John Howells, Director of Climate Change, Energy and Planning. Further information on the membership of the UKERC Advisory Board is available on their website:

<https://ukerc.ac.uk/about/history-and-governance/>

Yours sincerely
