Answer received for publication on 17 November 2011

The Minister for Health and Social Services (Lesley Griffiths): Prescription Cost Analysis data is published annually by the Welsh Government and is available at: <http://wales.gov.uk/topics/statistics/theme/health/primarycare/prescribing/?lang=en>. Some medication prescribed as cold and flu remedies is also prescribed for a number of other medical conditions, for example, paracetamol and is therefore not separately identifiable.
