Andrew RT Davies

9 April 2019

Dear Andrew

During our plenary session on 27 March I agreed to look into the issue regarding a perpetual (open all year round) window of application for Glastir Woodland Creation and Restoration.

The last window for Glastir Woodland Creation will open on 30 September 2019 and close on 8 November so potential applicants will have sufficient notice to develop applications for this scheme.

I have asked my officials to explore the options suggested in greater detail. I want to ensure there is a process in place to ensure our support is going to the best applications, and the processes follow best practice and are fair to all. This needs to be considered as part of the development of support under the new land management scheme.

Regards
Lesley
