Request for Information.

Thank you for your request received on 6 April in which you asked:

Hello, under FOI please list the leak inquiries conducted by the Senedd/Assembly commission since the beginning of devolution. For each one,

- I. note the topic of the leak,*
- II. duration of the inquiry,*
- III. whether the source of the leak was found, and*
- IV. whether disciplinary action or any other action was taken as a result.*

Our response to your request is below.

Your request asks for information since the beginning of devolution in Wales. The Senedd Commission was established in 2007. Only a very limited amount of information created before 2007 is, therefore, held by the Senedd Commission. The bulk of the records relating to the period between 1999 and 2007 are likely to be held by the Welsh Government. You may wish to contact the Welsh Government in relation to that period.
