10 February 2023

Dear Darren,

Together for Mental Health is based on the principle of partnership working across Government, public and third sectors to improve mental health and well-being in Wales. Whilst this is a 10-year plan, we will continue to deliver against the strategic objectives in the interim period whilst the successor arrangements are being developed. This includes through our Together for Mental Health cross-Government senior officials' group and our cross-Government Strategic Suicide and Self-Harm prevention group

Following the independent evaluation of Together for Mental Health and Talk to Me 2, work is now underway to develop the successor arrangements to the strategies, and we will be consulting on the outcome of this work towards the end of 2023.

Yours sincerely

Lynne Neagle AS/MS
