**The Official Controls (Import of
High-Risk Food and Feed of Non-
Animal Origin) (Amendment of
Commission Implementing
Regulation (EU) 2019/1793)
(No. 2) (Wales) Regulations 2024**

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend, in relation to Wales, Commission Implementing Regulation (EU) 2019/1793 on the temporary increase of official controls and emergency measures governing the entry into the Union of certain goods from certain third countries (EUR 2019/1793).

Regulation 2 makes provision to update the lists of high-risk food and feed of non-animal origin in Annexes 1 and 2 to EUR 2019/1793. Regulation 2(5) and (6), and Schedules 1 and 2, substitute those Annexes. The substitution of Annex 1 is made using powers in Articles 47(2)(b) and 54(4)(a) of Regulation (EU) 2017/625 of the European Parliament and of the Council on official controls and other official activities performed to ensure the application of food and feed law, rules on animal health and welfare, plant health and plant protection products (EUR 2017/625). The substitution of Annex 2 is made using powers in Article 53 of Regulation (EC) No 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety (EUR 2002/178) and Article 54(4)(b) of EUR 2017/625.

Regulation 2(3) amends EUR 2019/1793 (using powers in Article 34(6) of EUR 2017/625) to make

provision in relation to sampling and analysis for the hazard pentachlorophenol and dioxins in guar gum listed in Annex 1 (as substituted by these Regulations). Regulation 2(2) and (4) makes consequential amendments to EUR 2019/1793 following the removal of the entry in Annex 2 for guar gum (by these Regulations).

Regulation 3 makes consequential amendments to the Official Controls (Import of High-Risk Food and Feed of Non-Animal Origin) (Amendment of Commission Implementing Regulation (EU) 2019/1793) (Wales) Regulations 2024 (S.I. 2024/119 (W. 27)), to remove earlier amendments to EUR 2019/1793 that are superseded by the amendments made by these Regulations.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
