Dear Andrew,

Thank you for your recent Senedd question (WQ93421) in which you asked the following:

What discussions is the Welsh Government having with recycling centres regarding health and safety at work, in light of a second man dying at the Atlantic Recycling site?

Responsibility for enforcing workplace health and safety rules in Wales lies with the Health and Safety Executive (HSE). The HSE is a UK Government executive agency. We are aware that the H&SE are undertaking an investigation in light of the tragic incident in question.

Yours sincerely,
