Dear Andrew,

I write in response to WQ91195: How is the Welsh Government supporting healthcare apprenticeships?

The Welsh Government fully supports apprenticeships in the Healthcare sector and are working closely with our development partner Health Education in Wales (HEIW) to ensure apprenticeships in healthcare meet the needs of the sector in Wales. Welsh Government officials are also members of the Healthcare Apprenticeships Steering Group and have monthly meetings with HEIW to ensure healthcare apprenticeship frameworks are regularly updated and new frameworks developed.

Yours sincerely,
