Dear Natasha,

Thank you for your recent written questions in which you asked me to outline whether the Community Facilities Grant (CFG) will be re-launched and, if so, when it will start and whether CFG funding will be made available to mosques, in particular where they use existing buildings which are historic and in need of renovation?

The Community Facilities Programme is open and accepting applications. It is open to faith-based groups and can be used to fund improvements to religious buildings including Mosques. Applications must demonstrate that the wider community uses the building and its use includes community outreach activities, not just religious purposes.

Yours sincerely,

Sioned Williams AS/MS
