

Superfast Cymru: Changing the Digital Landscape of Wales

Fibre broadband coverage in Wales has more than doubled since 2013 thanks to Superfast Cymru. Over half of all homes and businesses across Wales now with access to fast fibre broadband have it as a direct result of our project.

All Wales superfast broadband coverage: (Figures: Thinkbroadband)

Millions of metres of fibre

49% take-up of services off Superfast Cymru infrastructure

The largest rural FTTP network in the UK with speeds over **100 Mbps**
