- **The Plastic Materials and Articles in Contact with Food (Amendment) (Wales) Regulations 2005**

The Regulations will transpose and implement, in Wales, the enforcement of EC Directive (2004/19/EC) and lay down specific rules to ensure that consumers are protected from chemicals that might migrate from plastic food materials and articles in food. Directive 2004/19/EC makes routine amendments to the Community list of permitted monomers (small molecules that become chemically bonded to other monomers to form a polymer) and additives and makes provision for a date to be set by which

the European Commission shall establish a positive list of additives that may be used in the manufacture of food contact plastics. The above Directive amends Commission Directive 2002/72/EC.

- **The Materials and Articles in Contact with Food (Amendment) (Wales) Regulations 2005**

The Regulations will transpose and implement, in Wales, the enforcement of EC Regulation 1935/2004 and revises the penalties that may be applied for infringements of that Regulation. It also revokes the Materials and Articles in Contact with Food Regulations 1987 and re-enacts provisions from those 1987 Regulations that should remain in force. Finally, it implements EC amending Directive 2004/14/EC on regenerated cellulose film

- **The Education Listed Bodies) (Wales) (Amendment) Order 2005**
