6th August 2015

Dear Assembly Member,

Following my oral statement on 7 July on superfast broadband I thought it would be helpful to provide some further information with regard to Superfast Cymru.

The attached table provides take-up by local authority area and cabinet age. It also outlines the proportion of premises in the planned Superfast Cymru intervention area that are able to access superfast broadband. Again this information is provided by local authority. The data covers the period up to the end of May 2015.

Yours sincerely

*Based on BT Openreach data. Rounded figures. Includes premises able to receive over 15Mbps. At present figures for premises receiving in excess of 24Mbps are not available. Where there is no take-up this reflects where there are no cabinets in the age bracket. These figures are up to the end of May 2015. ⁺Percentage of premises complete in the Superfast Cymru intervention area.
