Dear Andrew

I am writing in response to WQ95143: Will the Cabinet Secretary provide an update on what actions they are taking to close the disabilities employment and pay gap?

We have set a National Milestone to eliminate the pay gap related to gender, disability, and ethnicity by 2050. In pursuit of this, we are taking a range of actions which includes the work of our Disabled People's Employment Champions who are collaborating with employers to promote the recruitment, retention, and progression of disabled workers; encouraging organisations to participate in the Disability Confident scheme; and raising awareness of the Social Model of Disability across the public, private, and third sectors.

Kind regards,

Jane Hutt AS/MS
