Dear Adam,

I am writing in response to WQ95925, Will the Cabinet Secretary confirm the total amount of money that has been given in the last three financial years for planting trees on agricultural land in Carmarthenshire, and provide an analysis of how much money has been awarded to a) local businesses, b) businesses in Wales, and c) businesses outside Wales?

Between 2022/23 and 2024 /25 financial years over £600,000 was given under the Woodland Creation Grant for planting trees in Carmarthenshire.

£570,000 was paid to businesses outside Wales with the rest paid to businesses in Carmarthenshire. Grant applicants must meet our eligibility criteria, and the funding is used solely for the costs of establishing and maintaining woodland here in Wales.

I hope you find this response helpful.

Yours sincerely,

Huw Irranca-Davies AS/MS
