18 December 2003

Glyn Davies

WAQ30634

I write in response to WAQ30634.

One local authority has provided my officials with the names of their councillors who have applied for a Past Service Award, but not their political affiliation. This information was neither requested, nor is it required, by the Welsh Assembly Government. It is for local authorities to decide whether to make this information publicly available in advance of candidacies being declared.
