LEGISLATION COMMITTEE REPORT

The Common Agricultural Policy Single Payment and Support Scheme (Cross-compliance) (Wales) (Amendment) Regulations 2007

These Regulations amend the Common Agricultural Policy Single Payment and Support Schemes (Cross-compliance) (Wales) Regulations 2004 ("The 2004 Regulations") by updating references to Community legislation, defining the list of agri-environment commitments to include all commitments and designating the Secretary of State as the competent control authority. They also amend the 2004 Regulations by adding to the powers of inspectors to provide for inspections relating to animal welfare requirements and amend the provisions as to post-harvest management of land.

Standing Order 11.7

No points have been identified for reporting under Standing Order 11.7.

Observations

These Regulations have been made bilingually but the text to be inserted into the 2004 Regulations is in English only. This is because the 2004 Regulations were made in English only.
