Dear Presiding Officer

I hope you are well?

Today I am writing in the hope that you will be able to help me, as I would humbly like to request an amendment be made within the Record of Proceedings for Tuesday 27 September 2022.

During First Minister's Questions I stated £157 million had been spent by the Welsh government for the non-existent M4 relief road - which is correct. I also stated that £15 million has been spent purchasing 30 properties, which is also correct. However, in my contribution I stated that a loss of taxpayers' money due to the sale of 4 properties was £925,625 whereas in reality the loss figure was £250,765.

I now accept that the figure I quoted was incorrect and would be grateful if the record could be amended to reflect this.

I look forward to receiving your confirmation that this has been done in due course.

With warm regards.

Yours sincerely

Natasha Asghar MS
Welsh Conservative Shadow Minister for Transport
