## **The Environmental Protection (Single-use Plastic Products) (Wales) Bill**

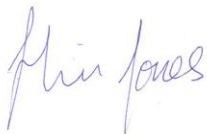

Dear Mark,

I have considered the Environmental Protection (Single-use Plastic Products) (Wales) Bill and, in accordance with section 110(3) of the Government of Wales Act 2006, it is my view that the Bill would be within the legislative competence of the Senedd.

Standing Orders require me to decide whether the Bill will require a financial resolution. Whilst such a resolution will not be necessary until after Stage 1 proceedings, I thought it would be helpful to let you know at this stage that I consider a financial resolution will be necessary for this Bill, in accordance with Standing Order 26.69.

I am of the view that the Bill does not contain any provision requiring it to be treated as a hybrid Bill.

Yours sincerely,

Rt. Hon. Elin Jones AS  
Llywydd
