1. Introduction and principles of financial support

1.1. Introduction

1.1.1. This Determination is made by the Independent Remuneration Board of the Senedd ("the Board") under section 3 of the Measure. This Determination is called the Independent Remuneration Board of the Senedd's Determination on Members' Pay and Allowances: 2022-23.

1.1.A2. [Removed]

1.1.2. This Determination supersedes the Independent Remuneration Board of the Senedd's Determination on Members' Pay and Allowances 2022-23, March 2022, as a result of the Board's exceptional Determination agreed on 8 December 2022.

1.2. Principles of financial support

1.2.1. The Code of Conduct for Members of the Senedd includes a number of general principles of personal conduct: selflessness, integrity, objectivity, accountability, openness, honesty, respect and leadership. The broad principles set out below are derived from the Code of Conduct and underpin the rules by which payments are administered under this Determination. Members must adhere to the following principles when making claims against allowance entitlements.

1.3. Principles

Expenditure

1.3.1. Claims must only be made for expenditure necessarily incurred in order to enable performance of the Member's duties.

Usage

1.3.2. Claims must be accurate and must properly reflect actual usage of the resources being claimed.

Political parties

1.3.3. Claims must not be made for expenditure relating to party political activity.

Other sources

1.3.4. Members must not claim under this Determination for anything that Members are entitled to claim from any other source.

Personal benefit

1.3.5. Members must ensure that claims do not give rise to, nor give rise to the perception of, an improper, direct or indirect personal financial benefit to themselves or anyone else, including the benefit of a political organisation.

Openness

1.3.6. Members must be committed to the principles of openness and transparency. Members should be aware of the [Allowance Publication System](#), which informs the public about expenditure incurred by Members.

Personal responsibility and accountability

1.3.7. Members have full responsibility for all expenses, making claims in accordance with this Determination, maintaining records sufficient to support such claims, and managing their budgets and support staff. This does not preclude Members from delegating the carrying out of those activities to others, but responsibility remains with the Member.

Value for money and reasonableness

1.3.8. Members must seek to ensure that any expenditure incurred provides value for money to the taxpayer, represents the most sustainable and reasonable option available and does not have a negative effect on the reputation of the Senedd or its Members.

1.3.9. In assessing whether expenditure is reasonable in all the circumstances, regard will be given to the treatment of any similar claims and / or current guidance. The assessment of the reasonableness of a claim will be made against comparable costs in the locality or within Wales as appropriate. For example, a judgement on what is a reasonable office rental cost will be made in the context of local office rental costs (and not, against, for instance, central London office rental costs).

1.3.10. It is accepted that in some instances the cheapest option for an individual item of expenditure will not necessarily be the most cost-effective or reasonable option when taken together with other factors. For example, an earlier and more expensive travel ticket might avoid the cost of an overnight stay and might therefore be the most cost-effective option overall.

Documentation

1.3.11. Claims must be supported by receipts, except where this Determination confirms that receipts are not required.

1.3A The Board's guiding principles

1.3A.1. The Board's functions, as set out in section 3 of the Measure, are to determine the level of remuneration and system of financial support for Members which enables them to perform their Members' duties. The Board has a statutory responsibility to ensure probity, accountability, value for money and transparency with respect to the expenditure of public funds.

1.3A.2. In making its Determination, the Board has regard to the following principles:

- a. financial support and remuneration for Members should support the strategic purpose of the Senedd and facilitate the work of its Members;
- b. decisions must be appropriate within the context of Welsh earnings and the wider financial circumstances of Wales;
- c. the system of financial support for Members must be robust, clear, transparent, sustainable, inclusive, and represent value for money for the taxpayer.

1.3B The Role of the Senedd Commission

1.3B.1. The Senedd Commission is responsible for providing the funds required to meet the costs of the remuneration and financial support allowed under the Determination. The Senedd Commission also provides a broad range of support services for Members in addition to that provided for under the Determination. The Chief Executive and Clerk, in their capacity as Accounting Officer, is responsible for oversight of the use and stewardship of public funds and resources. On occasions the Board may also seek or receive advice from the Accounting Officer on issues relevant to their Accounting Officer duties.

1.3B.2. The Chief Executive and Clerk ensures that expenditure by Members provided for by the Determination is properly and efficiently administered by Senedd Commission staff and that Members are advised on how to make claims, notwithstanding that Members remain personally responsible for all their claims.

1.3B.3. In accordance with the requirement in section 22(2) of the Act, the Senedd Commission is responsible for making information about expenditure incurred by Members accessible to the public.

1.4. Appeals process

1.4.1. Any questions of entitlement to an allowance or claim for reimbursement of costs in accordance with this Determination are to be decided, in the first instance, by the Members' Business Support Team, on behalf of the Chief Executive and Clerk as Accounting Officer. If a Member is dissatisfied with the decision, they may request that the matter be referred for a decision by the Chief Executive and Clerk. Before reaching a decision on any such question, the Chief Executive and Clerk may, if it is necessary or desirable to do so, seek clarification about the interpretation of this Determination from the Board. In doing so, the Chief Executive and Clerk must avoid, so far as possible, disclosing the identity of the Member.

1.4.2. For the purpose of promoting certainty and consistency in the application of this Determination, the Members' Business Support Team must maintain and publish a record of any question referred to the Chief Executive and Clerk under paragraph 1.4.1, of the decision reached and of the reasons for the decision. The published record must, so far as possible, exclude any information disclosing the identity of the Member.

1.5. Guidance and Board policies

1.5.1. Members may from time to time be referred to guidance notes issued by the Members' Business Support Team or other relevant Senedd Commission service. The guidance notes do not affect the content or interpretation of this Determination; the notes are intended to assist Members to understand this Determination. The Determination at all times takes precedent over any guidance issued.

1.5.2. The Board may, from time to time, decide to support Members in relation to their employment of staff. Where the Board makes a decision under this paragraph, the Board will issue a written notice containing details of its decision and publish such details on its website. The Board may change or stop any provision made available under this paragraph at any time, subject to its legal duty to consult as appropriate. The Board will issue a written notice if it changes or stops provision under this paragraph.

2. Rules for submission of claims

2.1. Part year allowances

2.1.1. Where an allowance is specified by reference to a financial limit for a year, that limit is reduced, in relation to a Member who enters or leaves the Senedd part way through a year, on a pro-rata basis. Members are not restricted to any limit for claiming on a month by month basis as long as the total they have claimed to date does not exceed the limit for the year. However where a Member ceases to be a Member part way through a financial year this may result in a refund being claimed from that Member (or in the excess being offset against other entitlements) where the amount that the Member has already claimed up to the time of leaving exceeds the reduced pro-rata limit. A pro-rating mechanism will also be applied in the event that a change is made to the financial limit of an allowance during the course of a financial year.

2.1.2. Where Political Party membership is changed part way through the year, the amount of funding available as per the Support for Political Parties Allowance for each party and individual Member will be recalculated on a pro-rata basis for the remainder of that year.

2.2. Returning Member dies or is otherwise prevented through ill-health from taking the oath of allegiance or making the corresponding affirmation

2.2.1. If an individual who ceases to be a Member on dissolution of the Senedd is returned at the subsequent Senedd election but dies before, or is otherwise prevented through ill-health from, taking the oath of allegiance or making the corresponding affirmation required by section 23 of the Act, a Winding Up Allowance is available under the terms set out in Chapter 9 of this Determination.

2.3. Rules for submission of claims

2.3.1. The principles which underpin the reimbursement of expenses are set out in section 1.3 of this Determination. The following rules support those fundamental principles.

2.3.2. Members must ensure that the relevant claim form is completed accurately and submitted to the Members' Business Support Team in accordance with the timescales in paragraph 2.3.8 and 2.3.9.

2.3.3. The purchase of items costing £750 or more, or any contractual liability with a lifetime value of £750 or more, must be referred to the Members' Business Support Team in writing for

approval, accompanied by at least three competitive quotations for the cost of such items in advance of any cost being incurred or contract entered into. For example, a three year rental agreement/lease of a piece of office machinery with an annual cost of £500 must be referred for approval as its lifetime value is £1,500.

2.3.4. Claims must be accompanied by receipts (as appropriate). Such receipts must be addressed either to the Member or their staff. In the event that a receipt is addressed to another person, documentary proof must be produced to satisfy the Members' Business Support Team that the expenditure relates solely to the performance of the Member's duties.

2.3.5. Members are not required to provide supporting receipts for the reimbursement of costs associated with mileage claims for use of private vehicles. However, such sums will only be paid where the Member demonstrates that the travel was undertaken to enable the performance of the Member's duties.

2.3.6. Receipts must be submitted in support of all other travel related claims. In accordance with the principles set out in paragraphs 1.3.8, 1.3.9 and 1.3.10 and in section 5.2, Members are expected to travel by the most cost effective means. Members will be expected to provide justification to the Members' Business Support Team for any claim for travel which that team considers to fall outside those principles.

2.3.7. Failure to provide the necessary documentation and/or receipts may result in a delay or refusal of reimbursement. Members will not be able to claim reimbursement for late payment charges or charges arising from a lack of appropriate documentary evidence or receipts.

2.3.8. Claims must be submitted within three months of the end of the month to which the expenditure relates, unless an alternative timescale is given by the Members' Business Support Team (e.g. at the end of the financial year) or a reasonable justification can be provided by the Member. This is especially important if a direct payment to a supplier is required, so that the payment can be made to the supplier in accordance with Senedd Commission policy. Late submission of a claim (after three months), without reasonable justification, may lead to the claim being disallowed. The adequacy of reasons for late claims will be assessed by the Members' Business Support Team, who may refer cases of doubt, or those where novel or contentious issues are involved, to the Chief Executive and Clerk for decision.

2.3.9. Members will be notified of any special time limits for making claims at the end of each financial year, which are necessary to allow for the timely completion and audit of the Senedd Commission's annual accounts. This may result in a shorter deadline for claims. Claims not submitted in accordance with these revised time limits may be refused or may be charged to

allowances for the following financial year at the absolute discretion of the Chief Executive and Clerk.

2.3.10. Any question of entitlement to an allowance is to be decided, in the first instance, by the Members' Business Support Team. A Member, if dissatisfied with the decision, may request that the matter be referred for a decision by the Chief Executive and Clerk in accordance with the procedure set out in paragraph 1.4.1.

2.4. Exceptional expenses

2.4.1. A Member may apply to the Board for reimbursement of any exceptional expenses necessarily incurred, or to be incurred, in connection with the performance of their Member's duties, where those expenses would not otherwise be payable under this Determination.

2.4.1A. [Removed– see paragraph 4.6.]

2.4.2. Normally, the Member should apply for the reimbursement of any exceptional expenses under this section in writing to the Chair of the Board. However, if the matter is urgent, the Member may apply orally; and if the Member is unable to contact the Chair, the Member may apply to any Board member. Oral applications must be confirmed in writing as soon as practicable.

2.4.3. Whether the application is written or oral, the Member must give sufficient information to enable the application to be properly determined. The Member should clearly identify any information that the Member wishes to be treated in confidence by the Board member (which can include the Member's name). If the Board member considers that the Member's request for confidentiality cannot be agreed, in view of legal requirements, the Member will be given the opportunity to withdraw the application or to agree that such further information as is necessary for a proper determination can be disclosed to other Board members, and to the Chief Executive and Clerk in their role as Accounting Officer.

2.4.4. There is no appeal against the decision of the Board on an application under this section.

2.4.5. The Board will consult the Chief Executive and Clerk, in their role as Accounting Officer, before agreeing any reimbursement.

2.4.6. The Board may allow virement other than that which is usually permitted, in order to meet the costs of exceptional expenses.

2.4.6A. The Board will review any exceptional expenses reimbursed to Members on an annual basis in order to ensure that additional expenses are still required and/or remain appropriate. The Board may require Members to provide supporting evidence to inform its decisions.

2.4.7. In accordance with the requirements of the Measure, the Board will publish in its Annual Report details of the numbers and amounts of exceptional payments made in any period. No personal data relating to a Member will be published in this context without the consent of that Member. However, it is possible that some personal data relating to a Member, in the context of exceptional expenses, might have to be disclosed, by law, including in response to a request to the Board under the Freedom of Information Act 2000.

2.5. Support from central funds related to Covid-19 pandemic

2.5.1. The Board may, from time to time, make provision for support to Members in addition to that provided under the Determination to meet additional costs arising from the public health requirements of the Covid-19 pandemic. The costs of any such support will be met from central funds.

2.5.2. Where the Board makes a decision under this section, the Board will issue a written notice containing details of the financial support that it is making available to Members.

2.5.3. The Board may change or stop any support made available under this section at any time. The Board will issue a written notice if it changes or stops support under this section.

2.5.4. Chapters 1 and 2 will apply to any support made available under this section.

3. Members' remuneration

3.1. Amount payable

3.1.1. The annual remuneration payable to Members is made up of salary and employer's pension contributions.

3.1.2. A Member's salary is £67,920 together with an additional office holder's salary if the Member holds one of the offices listed in Table 1. A Member's remuneration does not become payable until they have taken the oath of allegiance or made the affirmation required by law in accordance with section 23 of the Act.

3.1.3. Members who are also Members of Parliament will have their Senedd salary reduced, in accordance with section 21 of the Act, by an amount equal to two thirds of the basic salary which that Member would otherwise be entitled to receive.

3.5. Pensions

3.5.1. Members will automatically be enrolled in the Members' Pension Scheme unless they choose to opt out.

3A. Additional support

3A.1. Purpose

3A.1.1. Claims for expenditure made under this Chapter are for the purpose of providing additional support for disabled Members or for engaging with disabled constituents (section 3A.2), Members with childcare or other caring responsibilities (section 3A.3), and Members on parental leave (section 3A.4). No such Member should be unreasonably disadvantaged as a result of their specific needs or circumstances.

3A.1.2. A Member must seek approval for any expenditure before it is incurred or any contract (where appropriate) is entered into.

3A.1.3. All reimbursements arising from this Chapter will be funded from central funds.

3A.1.4. Claims made in relation to these reimbursements will be published annually on an anonymised, aggregated basis for each reimbursement. No personal data relating to an individual Member will be published in this context without the consent of that Member. However, it is possible that some personal data relating to a Member, in the context of the provisions outlined in this Chapter, might have to be disclosed, by law, including in response to a request to the Board under the Freedom of Information Act 2000.

3A.1.5. The reimbursement of any costs incurred due to the need for additional support in respect of health conditions or impairments, caring for dependants or parental leave should be claimed under the relevant provisions in this Chapter. This includes seeking reimbursement of costs for activities which are generally provided for in another Chapter of the Determination, for example Member's travel or office costs.

3A.2. Support relating to disabilities

3A.2.1. Support under this section may be claimed by any Member for any additional expenses incurred in order to enable the performance of that Member's duties, which reasonably arise as a result of health conditions or impairments. These expenses may relate to: a Member's health conditions or impairments; a member of staff's health conditions or impairments; or to facilitate engagement with disabled constituents.

3A.2.2. There is no limit on the amount that can be claimed under this provision. Each claim will be considered on a case by case basis. When making a decision as to whether the adjustment is reasonable, consideration will be given to whether the adjustment would ameliorate the

disabled person's disadvantage and the reasonableness of the cost of the adjustment to the public purse.

3A.2.3. A claim may require additional supporting evidence such as a medical note or an assessment by a medical or occupational health professional. Where this is required, the Member will be informed in advance of the Board's determination on such a claim. Any costs of obtaining the additional supporting evidence may be claimed under this provision.

3A.2.4. All claims may be subject to periodic review. Should an additional claim be made for a new reason, this would require the completion of a new claim.

3A.3. Support for Members with childcare and other caring responsibilities

3A.3.1. Support under this section is to enable a Member who has caring responsibilities for either a child / children or adult dependant(s) to continue to perform their Member's duties. For the purpose of this Chapter, an 'adult dependant' means:

- a. a spouse, partner, parent or other person who lives in the same household as the Member (otherwise than by reason of being an employee, tenant, lodger or boarder), or
- b. a person who reasonably relies on the Member for their care or to make arrangements for their care.

3A.3.2. A Member may claim the reimbursement of costs up to a maximum of £297 per month for the care of their children or adult dependants, where such additional care is specifically required to enable the performance of the Member's duties.

3A.3.3. Claims made under this provision should only be made:

- a. in respect of any child under the age of 16 years;
- b. in respect of any adult dependant as defined in paragraph 3A.3.1.

3A.3.4. Members may claim the reimbursement of the costs of care provided by registered care providers. The Members' Business Support Team is available to provide advice to Members on eligibility for this allowance.

3A.3.5. Claims for reimbursement of care costs may only be made for costs incurred during the Senedd's sitting weeks and outside of its usual working hours as set out in Standing Order 11.10 (9am – 6pm on working days).

3A.4. Support for Members on parental leave

3A.4.1. Support under this section is available to Members who choose to take a form of parental leave. For the purposes of this Chapter, parental leave means maternity leave, paternity leave or adoption leave. During the course of such leave the Member will remain on their full salary including any additional office holder salary to which they are entitled.

3A.4.2. Maternity and paternity leave may be taken prior to the birth of a child or to care for an infant child (i.e. a child less than 12 months old). Adoption leave may be taken to care for an adopted child within the first 12 months following adoption.

3A.4.3. Members who choose to take parental leave are entitled to claim for the reimbursement of reasonable costs of either an additional member of staff or other additional resource as required, for a total duration of up to 12 months. Such resource is provided in order to allow for continuity in the performance of the Member's duties other than those which relate to formal Senedd business which can be undertaken only by the Member themselves e.g. attending Plenary meetings.

3A.4.4. Should a Member wish to claim support under this provision they must submit a written request to the Members' Business Support team outlining the resource required and how it will be used.

3A.4.5. Any claim for support made under this provision should be accompanied by relevant documentation to evidence the leave being taken e.g. MATB1 for maternity or paternity leave and Matching Certificate for adoption leave.

3A.4.6. Any claim made under this provision, where possible, should be made in advance of the Member taking their period of parental leave.

3A.4.7. If a Member intends to make a claim in accordance with this section, the Member must inform the Members' Business Support team of their intention to take parental leave in advance of their leaving date i.e. the date of the first day of their intended period of parental leave. In instances of maternity or paternity leave this should be no later than 23 weeks before the due date. In instances of adoption leave, this should be as soon as the Member has begun the process of applying to adopt and timely updates should be provided on the progress of their application.

4. Residential Accommodation Expenditure

4.1. Purpose

4.1.1. Payments under this Chapter are for the purpose of reimbursing Members for expenses which they necessarily incur in connection with the performance of their Member's duties, including staying overnight away from their main homes.

4.1.2. Sections 4.2, 4.3 and 4.4 of this Chapter relate to the expense of a Member staying overnight in the Cardiff area in connection with the performance of their Member's duties. Section 4.2 applies to Members whose main homes are located within the inner area but outside the Cardiff area. Section 4.3 applies to Members whose main homes are located in the intermediate area. 4.1.3. In borderline cases, Members may apply to the Members' Business Support Team for their main homes to be deemed located in a different area where the Member believes this would be reasonable.

4.1.4. Section 4.5 of this Chapter applies to all Members and relates to the expense of staying overnight in connection with the performance of their Member's duties at locations other than their main homes or any accommodation whose expense is reimbursed under sections 4.2, 4.3 or 4.4.

4.4. Members whose main homes are located within the outer area

4.4.1. Members may claim under Option A, Option B, Option C or (where applicable) Option D, as set out below. Claims may not be made under more than one Option in relation to the same period but a Member may at any time notify the Members' Business Support Team in writing of a change of Option and the date when it is to take effect, which must be not less than a calendar month after the date when notice is given.

Option A – expense of renting furnished property

4.4.2. The property in relation to which the claim is made:

- a. must be in the Cardiff area;
- b. must have been rented through an agency approved by Members' Business Support Team;
- c. must not be sublet;
- d. must only provide accommodation that is appropriate to the Member's reasonable needs.

4.4.3. The expenses to be reimbursed in relation to the property are:

4.4.5. A claim may be made for the purpose of enhancing security at the property for appropriate measures arising from the recommendations of Senedd Commission security advisors, and must be in line with those recommendations. Such costs will be met from central funds. Any request which falls outside the scope of those measures will be assessed on a case-by-case basis.

4.4.5A. Any refunds received after a rental agreement has finished, for instance for a tenancy deposit which was funded by this Determination, must be returned to the Senedd Commission.

- a. must be in the Cardiff area;
- b. must not be the Member's main home;
- c. must not be sublet.

4.4.7. The expenses to be reimbursed are the same as those listed in paragraphs 4.4.3(b) to (h) (and are subject to paragraphs 4.4.4 and 4.4.5).

Option C – expenses in relation to other overnight accommodation

4.4.8. The cost of overnight stays in the Cardiff area may, with the prior written approval of the Members' Business Support Team be claimed instead of Options A or B. The maximum amount that may be claimed for each night is the same as the maximum that may be claimed under

5. Members' travel

5.1. Introduction

5.1.1. This chapter deals with three types of travel on Senedd business by Members;

- a. travel within Wales (referred to as "normal travel");
- b. travel elsewhere in the UK but outside of Wales (referred to as "extended travel");
- c. travel outside of the United Kingdom (referred to as "international travel").

5.1.2. It also deals with travel undertaken by Members' partners, children under the age of 18 and staff.

5.1.3. Subject to the general principles in section 5.2 and paragraph 5.4.2, a Member may travel by road, rail, air or sea on permitted journeys at the expense of the Senedd provided that the journey is necessarily undertaken to enable the performance of the Member's duties.

5.1.4. Permitted journeys are those specified in paragraphs 5.3.1, 5.3.2, 5.11.1 and 5.15.1.

5.1.5. A Member may only claim reimbursement for any journey if it is not reimbursed by another source, even though a particular journey may cover business on behalf of the Senedd and other organisations.

5.1.6. Notwithstanding the references to "Members" in section 5.2 and paragraph 5.4.2 below, the general principles set out in those provisions apply to travel undertaken by any staff and the general principles set out in section 5.2 apply to travel undertaken by a partner or any child (under the age of 18) of a Member.

5.2. General principles

5.2.1. Members are expected to travel by the most cost effective means, taking into account the actual cost of the travel and the cost of any overnight stay expenses. However, the time involved in a journey may also be taken into account and where benefits from savings in a journey time can be demonstrated, it may be possible to claim at a higher rate of reimbursement. A Member who, in the opinion of Members' Business Support Team (or the Chief Executive and Clerk where decisions on such claims are escalated) does not travel by the most cost effective means may have the amount of their claim abated by an appropriate amount.

5.2.2. Members are expected to seek the most cost effective travel ticket for the particular journey, travel method and class of travel they are making, taking account of any discounts available. In addition, Members holding rail cards or having access to other concessionary fares should use these.

5.2.2A. For the purpose of this section, cost effective travel means a method or class of travel which is appropriate in meeting the reasonable requirements of Members in respect of any disability.

5.2.3. Members should have regard to the Senedd's Environmental Management System, which is aimed at encouraging Members, their staff and Senedd Commission staff to use public transport, bicycles or communal transport for travel into and from work and on business.

Normal travel – within Wales

5.3. Normal travel – general principles

5.3.3. Members may not claim for the refund of any parking charges levied by the Senedd Commission for the provision of parking facilities at/near Tŷ Hywel.

5.4. Travel by road

5.4.1. Subject to paragraphs 5.2.1 and 5.2.3, a Member may undertake normal travel by car and claim a mileage allowance based on the actual mileage travelled.

5.4.2. Before embarking on any road travel subject to paragraph 5.4.1, Members should aim to travel in the most sustainable way that is possible and appropriate. Members should consider both the feasibility of car sharing with another Member, a member of staff or a member of Senedd Commission staff, and/or of using any approved external car sharing scheme of which the Senedd is a registered member. Full guidance on existing car share initiatives is available from the Members' Business Support Team.

5.5. Mileage rates

5.5.1. Travel by car, motor cycle and bicycle will be paid at the HM Revenue and Customs approved mileage rates.

5.5.2. 5.6. Allowable return journeys

5.6.1. When a Member uses a vehicle for travel from their main home to the nearest suitable railway station, bus station or airport and it is necessary to return the vehicle to the main home, the cost of the return journey may be claimed. A similar return journey is allowed where the Member is driven to their constituency or region from the main home and then travels on to the Cardiff area by public transport.

5.7.1. Subject to paragraphs 5.2.1, 5.2.3, 5.4.2, 5.7.2 and 5.7.3, if a Member undertakes normal travel by taxi to enable the performance of the Member's duties, they are entitled to claim reimbursement not exceeding the higher rate of the motor mileage allowance specified in paragraph 5.5.1.

5.7.2. If it was not reasonably practicable for the Member to travel other than by taxi, they are entitled to claim the actual level of expense incurred by them.

5.7.3. The maximum amount that a Member can claim under this allowance is the actual level of expense incurred by them.

5.8. Travel by hire car

5.8.1. Subject to paragraphs 5.2.1, 5.2.3 and 5.4.2, the expense incurred in using hire cars will only be reimbursed in exceptional circumstances and with the prior approval of the Members' Business Support Team. Where such travel is undertaken, the Member is entitled to claim the actual level of expense incurred by them.

5.9. Rail travel

5.9.1. Subject to paragraphs 5.2.1, 5.2.2 and 5.2.3, Members are entitled to claim the actual level of expense incurred by them. In order to demonstrate financial responsibility, Members are expected to choose standard class travel unless they are able to satisfy the Members' Business Support Team that there is a demonstrable need to do otherwise.

5.10. Travel by air

5.10.1. Subject to paragraphs 5.2.1 and 5.2.2, a Member is entitled to claim the cost of travel by scheduled air transport for normal travel. The acceptability of any other claims for extended travel allowance not so agreed will be at the discretion of the Chief Executive and Clerk. In all other respects, the levels of allowance and the general principles and conditions subject to which claims for normal travel are paid will apply to claims for extended travel.

In such cases the Member may claim the appropriate mileage rate. The mileage rates applied will be those applicable to Members. Such claims should be made separately from the Member's own car travel. Any such journey counts against the total entitlement of 12 single journeys for the year. A partner or child may not claim for journeys made if they travel in the same car as the Member.

5.20. Direct payment to partner or child

5.20.1. The Member may instruct the Members' Business Support Team to pay any amount claimed under this allowance directly to the partner or child concerned.

In case of doubt, advice on making claims from this fund should be sought from the Members' Business Support Team.

6.2.2. All individual items of office equipment costing £100 or more must be recorded on an inventory held by the Members' Business Support Team. All items paid for using Senedd Commission resources are provided to assist Members in the performance of their Member's

Members may also use the allowance to help set the office up for business. This may include minor changes to layout or redecoration, providing costs are reasonable and in line with the principles of financial support set out in Chapter 1. Other allowances are available for the purpose of improving the accessibility (see section 3A.2) and security of the office (see section 6.5).

6.3.2. The Members' Business Support Team is available to provide advice on the selection of furniture and other matters relating to the establishment of a first office. The approved costs will be met from central funds (and not from the Office and Constituent Liaison Fund), subject to a maximum cost of £5,000.

6.3.3. Subject to paragraph 6.4.4. below, a claim for reimbursement against this provision must be made by the end of the financial year which follows the financial year during which the Member was returned, either at an election or by-election. This provision is not available for the relocation of an existing office or the establishment of an additional office.

6.3.4. Members beginning a third (or greater) consecutive Senedd in office are entitled to refresh some of their office furniture. A Member may claim under this allowance in the first year of their third (or subsequent) term and every third (or subsequent) consecutive term after an allowance under this paragraph has been paid. 6.4.3. Members must have regard to any guidance issued by the Members' Business Support Team in relation to the purchase of other office equipment and stationery, including guidance on the use of approved suppliers.

6.4.4. 6.4.5. Members who wish to purchase additional Information and Communications Technology equipment for their office must submit a written request for such items to the Members' Business Support Team, prior to purchase. To maintain compatibility with the Senedd's Information and Communications Technology systems and cyber security protections it is strongly recommended that this equipment is purchased through the Senedd Commission. - b. under paragraph 6.7.2(b) a Member may not reduce that rent, whilst still claiming from the Office and Constituent Liaison Fund in respect of the office, unless the proposed decrease has been notified to the Members' Business Support Team and the Members' Business Support Team is satisfied that the decrease will not mean that the rent is less than that which is reasonable.

6.7.5. The Members' Business Support Team may, in order to enable them to consider an increase or decrease notified to them under paragraphs 6.7.4(a) or 6.7.4(b), require that the advice of a valuer notified by them be obtained.

6.7.6. The cost of obtaining the advice of a valuer or legal advice for the purposes of paragraphs 6.7.1(b), 6.7.1(c), 6.7.2(b) or 6.7.3(b) may be claimed from the Office and Constituent Liaison Fund.

- b. part of which is rented to another person;

is only entitled to claim from the Office and Constituent Liaison Fund in respect of the net rent of the office i.e. the difference between the amount paid by the Member by way of rent of the office and the amount received by the Member as a contribution towards the rent or as rent for part of the office, as the case may be.

6.7.10. A Member who rents part of an office (in respect of which funds are being claimed from the Office and Constituent Liaison Fund) to a party political organisation must ensure that no other part of the office is used for party political, including electioneering, purposes.

7. Staffing support for Members

7.1. Staffing Expenditure Allowance

7.1.A1. Each Member is an employer. The Board's role is to provide each Member with a staffing allowance as well as setting the employment framework by providing pay scales and standardised contracts.

7.1.1. A Member is entitled to claim staffing expenditure costs, up to a maximum of £110,570, for persons employed by them where those costs are wholly, exclusively and necessarily incurred to enable the performance of the Member's duties.

7.1.2. The total annual expenditure each Member makes on this allowance will be published to the Senedd's website. In addition, the name, role, relationship and salary band of all family members employed by a Member and the average weekly overtime payments made to family members over the course of the financial year will also be published.

7.1.3. A Member may claim an allowance to cover the salaries of their staff. The related employer National Insurance contributions will be paid centrally and will not be deducted from the Staffing Expenditure Allowance.

7.1.4. All staff will be employed on one of four salary bands, Senior Advisor, Band 1, Band 2 or Band 3, and must be appointed and employed in line with the Recruitment Policy issued by the Members' Business Support Team.

7.1.5. The full-time equivalent salary scales for these posts for 2022-23 are set out below.

Table 2: Staff salary scales for 2022-23

Band	Pay point 1	Pay point 2	Pay point 3	Pay point 4	Pay point 5
Senior Advisor	£36,934	£38,825	£40,818	£42,909	£45,116
Band 1	£27,450	£29,908	£32,597	£35,532	£38,740

7.1.5A. For the Year ending on 31 March 2023 only, a Member may claim an additional payment of up to £600 for each member of staff employed on 8 December 2022 on the following basis:

- a. £600 is paid for staff employed full time (37 hours per week),

- f. payments do not form part of the Staffing Expenditure Allowance under paragraph 7.1.1 when considering arrangements for virement under paragraph 7.8.2.

7.2. Progression through the pay points

7.2.1. All new staff are expected to enter on the scale minimum for the appropriate band. A higher starting salary for new staff may be determined by the employing Member. Members must follow advice provided by the Members' Business Support Team on starting salary criteria to demonstrate the justification for a higher starting salary.

7.2.2. Save where paragraph 7.2.3 applies, individual staff will, subject to satisfactory performance, move up the incremental scale one point at a time on the anniversary of their commencement of employment until they reach the scale maximum for their band.

7.2.3. Where new staff commence employment on pay point 1 and show satisfactory performance throughout their probation period, Members may, following the completion of the probation period, move the staff member up the incremental scale to point 2, in advance of the anniversary of the commencement of employment. In doing so, Members must have due regard to advice provided by the Members Business Support Team on starting salary criteria. In such cases, the trigger date for future annual reviews will be the date on which pay at pay point 2 commenced (instead of the date of commencement of employment).

7.2.4. Staff bonuses may not be paid from this (or any other) allowance.

7.3. Annual indexation

7.3.1. Subject to paragraphs 7.3.2 and 7.3.3, the pay of staff will be adjusted in April of each year by the change in the Annual Survey of Hours and Earnings, estimated gross Median Earnings for full-time employee jobs in Wales between April and April of the previous year.

7.3.2. The adjustment made by paragraph 7.3.1 will be no lower than zero per cent and no higher than three per cent.

7.3.3. In accordance with the Board's exceptional determination of 10 March 2022, for the year beginning 1 April 2022, the pay of staff is adjusted by three per cent.

7.4. Staff combinations

7.4.1. Members may employ staff in any combination of salary bands so long as the actual cost of salaries payable in a year does not exceed the total value of the Staffing Expenditure Allowance. It is the Member's responsibility to ensure that the total staff pay remains affordable within the Member's available allowance in future years, taking account of movements up the incremental pay scales.

7.4.2. The difference between the actual salaries of staff and the total value of the Staffing Expenditure Allowance is known as the 'Remaining Balance'.

7.4.3. The Remaining Balance may be used to cover the costs outlined in sections 7.5 to 7.8 and also other staff related costs such as approved redundancy costs (where section 7.13 is not applicable), incidental costs of work placements, staff and interns, etc.

7.5. Temporary support

7.5.1. Where a Member requires additional temporary support which cannot be met from the Temporary Staffing Allowance provided for in section 7.12, they may use the Remaining Balance for this purpose. Any contracts longer than six months in duration must be subject to an open and fair recruitment process as outlined in the Recruitment Policy. Fixed term contracts cannot be longer than 18 months in length.

7.5.2. Where a Member provides opportunities for unpaid placements they must abide by the Unpaid Placement Policy.

7.5.3. Where a Member provides an intern placement which is longer than four full weeks in duration, the intern must be placed on a fixed term contract with the Member and paid the scale minimum of a Band 3 member of staff.

7.6. Employment of family members

7.6.1. From 1 April 2019, a Member is not entitled to claim from this (or any other) allowance the funding for the salaries of family members.

7.6.2. Paragraph 7.6.1 does not apply to family members who were appointed before 1 April 2019. They will continue to have their salaries funded from the Determination until the end of the Sixth Senedd. During the transition period (which ends at the end of the Sixth Senedd) the contracts of family members may not be enhanced by the employing Member (family members will receive the annual adjustment to their salary as provided for in paragraph 7.2).

7.7. Life assurance provision for Members' staff

7.7.1. A payment will be made in respect of any staff member who was in employment at the date of their death.

7.7.2. The payment will be twice the final pay in the last year of employment, or, if higher, the year prior to the last year of employment.

7.7.3. Where employees have worked less than a calendar year, any payment will be based on salary paid to date.

7.7.4. Full details are set out in the Life Assurance Provision for Members' Support Staff, which is available from Members' Business Support.

7.8. Virement

7.8.1. Those Members who had viring arrangements in place before 1 October 2018 from their Staffing Allowances to the Support for Political Parties allowance are permitted to continue viring during the Fifth Senedd. From 1 October 2018 no new viring arrangement will be approved by the Members' Business Support Team.

7.8.2. Members may vire up to 25 per cent of their Office and Constituent Liaison Fund to their Staffing Expenditure Allowance where excess funds exist. - a. Jury service,
- b. Mandatory armed forces reserve training,
- c. Unpaid public duties, such as school governorship.

7.9A.2. The amount that may be claimed towards paid time off for these purposes is capped as follows:

- a. For jury service, at the total number of working days that staff are required to attend court,
- b. For mandatory armed forces reserve training, at a maximum of 15 days per 12 month rolling period per member of staff.
- c. In any other case, at a maximum of 10 days per 12 month rolling period per member of staff.

7.9A.3. A Member may claim a Temporary Staffing Allowance towards the cost of providing cover for staff taking such paid time off (see section 7.12 below).

7.9A.4. With the exception of jury service and mandatory armed services reserve training, staff undertaking paid public duties, such as local authority councillor duties, must take unpaid time off. As unpaid time off does not amount to additional expenditure, any costs relating to providing cover for such time off should be met from the Member's Staffing Expenditure Allowance.

7.10. Payment of salaries

7.10.1. Staff salaries are paid monthly in arrears on the last working day of each month. Payment must be made direct to the individual's account by electronic transfer (Bankers Automated Clearing Services – BACS).

7.10.2. Staff may request one advance of their pay per year.

7.11. Pension provision for Members' staff

- Staffing Expenditure Allowance, or
- Office and Constituent Liaison Fund in respect of directly employed cleaning staff.

7.11.2. The maximum amount payable is 10 per cent of the actual salary paid to the relevant member of staff. This allowance is not taken from either the Staffing Expenditure Allowance or the Office and Constituent Liaison Fund.

7.11.3. In addition to the 10 per cent employer pension contribution currently paid and referred to in paragraph 7.11.2, where a member of staff chooses to make a personal contribution to their pension, those personal contributions will be matched by an employer contribution up to a maximum of three per cent of actual salary paid. This cost is paid from central funds.

7.12. Temporary Staffing Allowance (TSA)

7.12.1. Where a person to whom a salary is paid by a Member from the Staffing Expenditure Allowance is prevented through illness, maternity leave, shared parental leave, paternity leave, adoption leave or paid time off for public duties (in accordance with section 7.9A) from providing assistance to the Member, a claim may be made for a Temporary Staffing Allowance. Any such claim may only be made for the costs of additional expenses wholly, exclusively and necessarily incurred in order to enable the performance of the Member's duties.

7.12.2. Temporary Staffing Allowance can only be claimed if the member of staff for whom cover is required:

- is absent from work because of illness; extended leave on compassionate grounds; maternity leave, paternity leave, shared parental leave or adoption leave; paid time off for public duties in accordance with section 7.9A; and continues to be employed by the Member via their Staffing Expenditure Allowance;
- is not employed on a casual or temporary basis;
- in the case of illness or extended leave on compassionate grounds, is absent for a continuous period that exceeds two weeks;

7.12.3. Where a Member makes a claim for Temporary Staffing Allowance due to the absence of a member of staff through illness, the Member must abide by the terms of the Sickness Absence policy for short or long term absences.

7.12.4. Where a member of staff is absent whilst under paid suspension and the terms of the suspension have been agreed with the Members' Business Support Team, an application may be made to the Board for Temporary Staffing Allowance.

7.12.5. The maximum Temporary Staffing Allowance entitlement will be based on the amount of the absent employee's gross salary for a specified period (shown below).

7.12.6. Members are encouraged to ensure that all staff providing the temporary cover have pension arrangements in place in line with good employment practice.

7.12.7. Absences for illness, maternity, paternity, shared parental and adoption leave and paid time off for public duties are treated as completely separate for the purposes of calculating Temporary Staffing Allowance. Therefore a Member who has an employee who has been on maternity, paternity, shared parental or adoption leave and (unrelated) sick leave will have access to two separate budgets for Temporary Staffing Allowance.

7.12.8. When an individual is absent through illness, the maximum allowance available will be based on six months full-pay and six months half-pay (including employer's National Insurance contributions and pension costs) of each absent qualifying employee.

7.12.9. Once an individual has been absent, owing to illness, for a continuous period exceeding two weeks, Temporary Staffing Allowance will be retrospective to the first day of absence.

7.12.10. When an individual is absent due to maternity, paternity, shared parental or adoption leave, the maximum allowance available is equivalent to 26 weeks of the absent employee's gross salary (including employer's National Insurance contributions and pension costs).

7.12.11. Where a claim for temporary assistance to cover sickness absence of an employee utilises the maximum period allowed in these arrangements, any extension of the temporary assistance should be claimed against the Remaining Balance. The permanent employee will

have reached the contractual limit for salary entitlement and the costs of the replacements will no longer be additional to the normal salary costs.

7.12.12. If a subsequent claim for assistance arises in respect of an employee who has had 12 months paid sickness absence, then that claim may only be admitted if a period of 12 months has elapsed from the end of the previous claim.

7.12.13. A Member may also claim for a Temporary Staffing Allowance where a member of staff is prevented from working for the Member as a result of taking paid time off for public duties in accordance with section 7.9A above.

7.12.14. When an individual is absent due to taking paid time off for public duties, the maximum allowance available is equivalent to the absent staff member's gross salary (including National Insurance contributions and pension costs) payable during their absence.

Redundancy

7.13. Redundancy payments to staff who are paid from the Staffing Expenditure Allowance

7.13.1. A Member is entitled to claim for the cost to them of redundancy payments to qualifying staff, where the Member ceases to be a Member for any reason.

7.13.2. To qualify, staff must have at least two years' service with the Member on the date at which they cease to be employed by the former Member

7.13.3. Redundancy payments will be calculated on the basis of statutory entitlement uprated by 50 per cent (unless paragraph 7.13.4 below applies).

7.13.4. Where staff fall within the following circumstances, redundancy payments will be calculated on the basis of statutory entitlement uprated by 100 per cent if the employing Member:

7.13.5A. The funding for redundancy arising from a restructure as referred to in paragraph 7.13.4(e), will be deducted from the Staffing Expenditure Allowance. In all other cases described, the redundancy will be paid out of central funds and will not be deducted from the Staffing Expenditure Allowance.

- e. the costs paid under this paragraph will be met from central funds.

8.3. Progression through the pay points

8.3.1. All new staff are expected to enter on the scale minimum of the appropriate pay band. However, a higher starting salary for new staff may be determined by the employing Political Party Leader in line with the guidance on starting salary criteria. Political Party Leaders must follow the guidance to justify a higher starting salary.

8.3.2. Save where paragraph 8.3.3 applies, individual staff will, subject to satisfactory performance, move up the incremental scale one point at a time on the anniversary of their commencement of employment until they reach the scale maximum for their band.

8.3.3. Where new staff commence employment on pay point 1 and show satisfactory performance throughout their probation period, Political Party Leaders may, following the completion of the probation period, move the staff member up the incremental scale to point 2 in advance of the anniversary of the commencement of employment. In doing so, Political Party Leaders must have due regard for the guidance provided to them. In such cases, the trigger date for future annual reviews will be the date on which pay at pay point 2 commenced (instead of the date of commencement of employment).

8.4. Annual indexation

8.4.1. Subject to paragraphs 8.4.2 and 8.4.3, the pay of Political Party staff will be adjusted in April of each year by the change in the Annual Survey of Hours and Earnings, gross Median Earnings for full-time employee jobs in Wales between April and April of the previous year.

8.4.2. The adjustment made by paragraph 8.4.1 will be no lower than zero per cent and no higher than three per cent.

8.4.3. In accordance with the Board's exceptional determination of 10 March 2022, for the year beginning 1 April 2022, the pay of staff is adjusted by three per cent.

8.5. Employment of family members

8.5.1. From 1 April 2019, a Political Party is not entitled to claim from this (or any other) allowance the funding of the salaries of family members.

8.5.2. Paragraph 8.5.1 does not apply to family members of the Party Leader who were appointed before 1 April 2019. They will continue to have their salaries funded from the Determination until the end of the Sixth Senedd. During the transition period (which ends at the end of the Sixth Senedd) the contracts of family members of the Party Leader may not be enhanced by the employing Political Party (family members will receive the annual adjustment to their salary as provided for in section 8.4).

Remaining balance

8.6. Office equipment and stationery

8.6.1. Political Parties may use the Remaining Balance to purchase or hire office equipment and stationery, but all such purchases must be made in accordance with the requirements of Chapter 6 of this Determination.

8.7. Life assurance provision for Political Party staff

8.7.1. A payment will be made in respect of any staff member who was in employment at the date of their death.

8.7.2. The payment will be twice the final pay in the last year of employment, or, if higher, the year prior to the last year of employment.

8.7.3. Where employees have worked less than a calendar year, any payment will be based on salary paid to date.

8.7.4. Full details are set out in the Life Assurance Provision for Members' Support Staff, which is available from the Members' Business Support Team.

- f. Policy development;
- g. Exploration of issues of significance to constituents;

Other arrangements

8.8. Pension provision for Political Party staff

8.8.1. Political Parties are entitled to claim reimbursement of the cost to them of contributions made to the personal pension plan of any Political Party staff member.

8.8.2. The maximum amount payable is 10 per cent of the actual salary paid to the relevant member of staff. This cost is paid from central funds and does not count against the Support for Political Parties Allowance.

8.8.3. In addition to the 10 per cent employer pension contribution currently paid, and referred to in paragraph 8.8.2, where a member of staff chooses to make a personal contribution to their pension, those personal contributions will be matched by an employer contribution up to a maximum of three per cent of actual salary paid. This cost is paid from central funds.

8.9. Redundancy arrangements

8.9.1. These redundancy arrangements apply to Political Parties comprised of Members returned to the Sixth (and any subsequent) Senedd.

8.9.2. A Political Party is entitled to claim for the cost of redundancy payments to qualifying staff where the party composition changes, for the following reasons:

- a. As a result of an election;

- b. where a Member of a Political Party ceases to be a Member of the Political Party during the Senedd, or
- c. some other reason, such that it reduces or removes entitlement to the Political Parties Support Allowance in paragraph 8.2.1.

8.9.3. To qualify, staff to whom payments will be made must have at least two years' service with the employing Political Party on the date at which they cease to be employed by the party (or former party). Redundancy payments will be calculated on the basis of the statutory entitlement under the current employment legislation, uprated by 50 per cent (but see paragraphs 8.9.4 to 8.9.5). Such sums will be paid out of central funds and will not be deducted from the Support for Political Parties Allowance. However, when redundancies result from a restructure by the Political Party, funds will be deducted from the Support for Political Parties Allowance.

8.9.4. Where staff fall within the following circumstances, redundancy payments will be calculated on the basis of statutory entitlement uprated by 100 per cent.

- a. a Member (or Members) of the party dies;
- b. a Member (or Members) of the party ceases during a Senedd to be a Member (but see paragraph 8.9.5 below);
- c. a Member (or Members) of the party is defeated at an ordinary general election to the Senedd;
- d. a Member (or Members) resigns due to ill-health;
- e. the employing Political Party undertakes a restructure of their staffing complement during the Senedd term (but see paragraph 8.9.3).

8.9.5. Paragraph 8.9.4(b) does not apply where the Member of the party made it publicly known that they intended to stand down from the Senedd at least one month before doing so.

9. Members leaving office

9.1. Winding up allowance

9.1.1. A person who, for whatever reason, has ceased to be a Member (a "former Member") is entitled to claim an allowance in respect of the cost incurred wholly, exclusively and necessarily in completing any work that was in progress at the time that person ceased to be a Member.

9.1.2. A Member ceases to be a Member (or be treated as a Member in the case of (d)) on the date of any of the following:

- a. the resignation of the Member,
- b. the death of the Member,
- c. the dissolution of the Senedd if the Member is not a candidate for election to the new Senedd, or
- d. polling day if the Member is a candidate for election to the new Senedd but is not elected (as provided for under section 22(4) of the Act).

9.1.3. The amount that can be claimed is to be governed by a written winding up plan agreed between the Members' Business Support Team and the former Member. The amount is calculated by reference to the period agreed for the winding up and the Office and Constituent Liaison Fund, Residential Accommodation Expenditure and that part of the Staffing Expenditure Allowance which provides for the actual salaries in payment to staff employed by the former Member on the day that the former Member ceased to be a Member. The agreed winding up plan is (subject to paragraph 9.1.5) to have a maximum duration of three months and no claim will be considered in relation to costs incurred after the expiry of the period of the plan.

9.1.4. The amount payable under this allowance is reduced by the amount by which the Office and Constituent Liaison Fund, Residential Accommodation Expenditure and that part of the Staffing Expenditure Allowance referred to in paragraph 9.1.3 may have been over claimed (applying the pro-rating described in paragraph 2.1.1).

9.1.5. In respect of a deceased Member:

- a. this allowance has effect as if references to the former Member are taken, where appropriate, as references to the personal representatives of the deceased Member;

- b. the maximum duration of three months referred to in paragraph 9.1.3 does not apply but the plan must provide for the winding up to be completed as soon as is reasonably practicable under the circumstances.

9.2. Work undertaken and expenses

9.2.1. A claim for work undertaken and expenses which have been incurred in accordance with paragraphs 9.1.1 and 9.1.3 can include the following:

- salary and employer's National Insurance contributions of staff who continue to be employed together with related pension contributions;
- contractual liabilities for staff;
- contractual liabilities for the payment of equipment hire or accommodation leasing agreements;
- postage, stationery and telephone costs;
- travel costs.

9.2.2. Redundancy payments under sections 7.13 and 8.9 do not fall within the scope of this allowance.

9.3. Resettlement Grant

9.3.1. A person who immediately before a dissolution of the Senedd is a Member of the Senedd and that person is a candidate for re-election but it is not re-elected, is entitled to claim a Resettlement Grant.

9.3.2. In the preceding paragraph, "candidate for re-election" includes a person on a list of candidates of a registered political party; and "re-elected" includes a person returned for a Senedd electoral region.

9.3.3. Members who also are, or have also been, Members of Parliament and who have, or have had, their Senedd salary reduced by two-thirds in accordance with paragraph 3.1.3 of this Determination, will have their Resettlement Grant calculated by reference to the unabated salary level.

9.3.4. The amount of the Resettlement Grant payable is one calendar month's salary (at the rate payable to Members immediately before the dissolution) for each completed year of service subject to a maximum payment equal to six months' salary.

9.3.5. Members who have at any time during their period of service (calculated in accordance with paragraph 9.5.1) held an additional office as specified in Table 1 contained in Chapter 3 (paragraph 3.1.4) will be entitled to receive an additional payment by way of a Resettlement Grant. The payment will be equal to the amount of salary paid to the holder of that additional office in the three months before they ceased to hold that additional office. If a Member held more than one additional office during that period, the amount of salary on which this payment is based will be the higher, or as the case may be, the highest amount paid to that Member. However, where a Member has chosen not to draw an additional salary to which they are entitled, or has chosen to draw a reduced sum, the additional payment under this paragraph will be calculated by reference to the unabated salary.

9.4. [Removed]

9.5. Calculating years of service

9.5.1. In calculating the number of years of service (for the purpose of paragraphs 9.3.4 and 9.3.5) a period of tenure as a Member is not to be taken into account on more than one occasion; any period of service that was disregarded when determining a previous Resettlement Grant payment is disregarded. Any fraction of a year is also disregarded except where a Member who was first elected at an ordinary general election fails to complete a year because the date of dissolution prior to the next ordinary general election is less than a year after the date on which the Member was first elected. In such a case the Member is regarded as having served a complete year.

9.6. Ill Health Retirement Grant

9.6.1. Any Member whose health precludes their continued participation as a Member of the Senedd is entitled to claim an Ill Health Retirement Grant on ceasing to be a Member. The level of grant payable is calculated on the same basis as a claim for a Resettlement Grant under section 9.3.

9.6.2. A Member who claims an Ill Health Retirement Grant is not entitled to claim a Resettlement Grant at the time of the next dissolution of the Senedd.
