**NATIONAL HEALTH
SERVICE, WALES**

The National Health Service
(Travelling Expenses and
Remission of Charges)
(Amendment) (No. 2) Regulations
2006

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Travelling Expenses and Remission of Charges) Regulations 1988 (“the 1988 Regulations”) to take account of changes to the provision of financial support to students made by the Assembly Learning Grants and Loans (Higher Education) (Wales) Regulations 2006 (“the 2006 Wales Regulations”), the Education (Student Support) Regulations 2006 (“the 2006 England Regulations”), and the Education (Student Support) Regulations (Northern Ireland) 2006 (“the 2006 N.I. Regulations”) and consequential changes to the way in which a student’s entitlement to income support will be calculated.

In calculating a person’s resources and requirements under the 1988 Regulations in order to establish whether a person can claim entitlement to the remission of NHS charges and the payment of NHS travel expenses, a modified version of the Income Support (General) Regulations 1987 is used as set out in Schedule 1 to the 1988 Regulations (“Schedule 1”).

These Regulations further modify Schedule 1 to provide:

- that any grant income a student has is apportioned over a 52 week period, rather than over the period of study in any one year, except in the final year of study or during a one year course when the period of study is the relevant period, or when the student is on a sandwich course;

- that any sum in excess of the sum set out in regulation 33(4)(b) of the 2006 Wales Regulations paid as part of a maintenance grant pursuant to regulation 29 of those Regulations should be disregarded in the calculation of a student's grant income;

- that any sum in excess of the sum set out in regulation 57(4)(b) of the 2006 England Regulations paid as part of a maintenance grant pursuant to regulation 48 of those Regulations should be disregarded in the calculation of a student's grant income;

- that any sum in excess of the sum set out as the maintenance grant amount in paragraphs (b), (c) or (d) of regulation 57(4) of the 2006 N.I. Regulations (the amounts of which will differ according to the level of maintenance grant a student qualifies for under the 2006 N.I. Regulations) paid as part of a maintenance grant under regulation 49 of those Regulations should be disregarded in the calculation of a student's grant income; and

- that any loan paid under regulation 10 of the Education (Student Loans) (Scotland) Regulations 2000 should be disregarded in the calculation of a student's loan income.

A Regulatory Appraisal has been prepared for these Regulations and a copy has been placed in the library of the National Assembly for Wales. Copies can be obtained from the Community Primary Care and Health Service Policy Directorate, National Assembly for Wales, Cathays Park, Cardiff, CF10 3NQ.
