

## Website Access Information

### Request for Information.

Thank you for your request received on 3 October in which you asked:

*The 30 most-visited websites by National Assembly computers during the past year (September 2013 to the present).*

*Please include a breakdown by month, the website visited, and the number of times the website was accessed.*

As confirmed via email, our monitoring software only provides data for the previous three months and not 12 months.

The following table provides you with the information you have request for July, August and September 2014 and shows the top 30 sites accessed by Commission staff, Assembly Members and Assembly Member staff; the data cannot be disaggregated.
