Dear Samuel

Thank you for your recent Written Question asking if I will provide an update on the development of a children and young person's weight management service in Hywel Dda University Health Board.

Weight management services are developed, funded and provided by health boards in response to the needs of the local population. There is currently no bespoke weight management service for children and young people in Hywel Dda University Health Board. The establishment of a service is being considered by the health board.

Yours sincerely,

**Eluned Morgan AS/MS**
