Dear Laura

I promised to write to you with a response to the written question you tabled on 14 July:
“How many Welsh-domiciled students are leaving Wales to undertake degree apprenticeships elsewhere in the UK?”

In the 2021/22 academic year, there were 455 Welsh domiciled students studying a degree apprenticeship at Level 6 and above outside Wales. This figure refers to students in all years of study including starters as well as those who may have completed their degree apprenticeship in 2021/22.

A copy of this letter will be published on the internet.

Yours sincerely,

Vaughan Gething AS/MS
Gweinidog yr Economi
Minister for Economy
