Dear Andrew

You recently requested, by written questions, information on streetlighting namely:

How many street lights have been a part of the street lighting renewal scheme? And how much funding has been given to the street lighting renewal scheme to date?

I can confirm during the last three complete financial years 2019/20, 2020/21, 2021/22 two thousand nine hundred and eighty (2980) street lanterns and one thousand three hundred and twenty eight columns (1328) have been renewed at a cost of £8.44 million.

This letter will be copied to the library.

Yours sincerely

Lee Waters AS/MS
