Dear Steve,

Thank you for your question during Oral Questions on 14 October, when you asked for an update on the proposed 3G pitch in the Rhondda and whether a funding application had been received.

The ongoing Sport Wales audit of community and regional facilities will help ensure that future investment is targeted where need and demand are greatest across Wales. In the meantime, however, viable projects can continue to come forward and be considered on their merits. My officials have spoken with Sport Wales and can confirm that an application from the WRU for funding towards the development of a new 3G pitch at Coleg y Cymoedd has been received and approved.

I hope you find this information helpful.

Yours sincerely,

Heledd Fychan
