**The proposed Welsh Language (Wales) Measure – additional evidence to  
Legislation Committee No.2**

19 May 2010

Dear Ann

1. You recently gave evidence on behalf of BT Cymru to the National Assembly's Legislative Committee 2 as part of its stage 1 consideration of this proposed Welsh Language (Wales) Measure. I am very grateful to you for attending the meeting and for contributing to a very informative evidence session.

2. Unfortunately in the session on 13 May, time ran out before all the issues had been covered and I am therefore writing to ask you if you could provide answers in writing to the following questions:

- a) You state that it is not possible to comment on the financial implications of the proposed Measure, due to the lack of clarity. Please could you elaborate on this statement?
- b) Are you content that the Regulatory Impact Assessment, included in the Explanatory Memorandum, makes a realistic assessment of the financial implications of the proposed Measure?
- c) Have you any views on how the provisions in the proposed Measure will impact on consumers in practical terms?

3. Could you please reply by 4 June.

4., I hope these are clear but please do not hesitate to contact the Committee's Deputy Clerk, Owain Roberts on 029 2089 8101 (owain.roberts@wales.gsi.gov.uk) if you want to discuss these issues further.
