To propose that the National Assembly, acting under section 62(1)(b) of the Government of Wales Act 1998, resolves to delegate to the First Minister all the functions of the National Assembly (save those which by law cannot be so delegated) contained in or under regulations made by:

(a) the National Assembly (whether made by the National Assembly alone or together with a UK Minister, UK Government Department or the Scottish or Northern Irish Executives) under section 2(2) of the European Communities Act 1972 pursuant to the functions conferred on the Assembly by the European Communities (Designation) Order 2004 (S.I. 2004/706), ("the Designation Order); or

(b) a UK Minister under his or her concurrent powers, under the said section 2(2), in relation to any of the measures in respect of which functions were conferred upon the National Assembly in the Designation Order.

Nothing in this motion will have the effect of reducing the pre-eminence of the authority of the full Assembly or of reducing the role of the Assembly Committees in the exercise of the above functions.

This delegation will be made in the knowledge that those functions will, as appropriate, be further delegated to the appropriate Assembly Minister and to staff.
