Developments of National Significance Annual Report - December 2020

Background

7. Developments of National Significance (DNS) comprise infrastructure projects of national importance. As required by section 62D of the Town and Country Planning Act 1990 ("the Planning Act"), DNS planning applications are made to the Welsh Ministers.

8. Section 62L (2) of the Planning Act requires the Welsh Ministers to determine DNS planning applications before the end of the prescribed determination period, which is 36 weeks beginning with the date on which the DNS application is accepted by the Welsh Ministers.

9. Section 62L (5) of the Planning Act provides the Welsh Ministers with the power to issue a notice to (a) suspend the running of the determination period in a particular case for a period specified in the notice and (b) terminate, reduce or extend an existing period of suspension.

10. Section 62L (8) of the Planning Act requires the Welsh Ministers to lay before the Senedd an annual report on their compliance with the duty imposed by section 62L (2) and the exercise of their functions under section 62L (5).

11. This report comprises the annual report required by section 62L (8) of the Planning Act.

12. The Welsh Ministers determined 2 DNS planning applications between December 2019 and December 2020. Both applications were decided within the statutory determination period. Details are provided in the attached Annex.
