Dear Darren,

I am writing in response to your Written Question of 21 May, which asked for the estimated costs of creating a digitally enabled Welsh cabinet office. I apologise for the delay in responding.

Initial progress has focused on bringing together existing teams and resources to develop a strengthened Cabinet Office structure, supporting improved coordination, shared priorities and a stronger focus on measurable outcomes across departments. Any further developments will be taken forward through the standard planning and budget processes.

Yours sincerely,

**Rhun ap Iorwerth**
