Dear Adam,

Thank you for your written question for answer on 25 July 2025 seeking information on 'How many a) lawyer training contracts and b) disciplines for barristers do public sector bodies in Wales, including the Welsh Government, offer every year to budding lawyers and barristers and what are their details'.

The Welsh Government does not hold workforce data for public sector bodies. Each organisation manages its own workforce independently.

The Permanent Secretary is responsible for all matters relating to the Welsh Government workforce and will respond to you in due course with regards to legal training contracts within the Welsh Government

I trust this response is helpful.

Yours sincerely,

Julie James AS/MS
