Dear Hannah,

Thank you for your written question tabled for my response on 10 December: **Will the Cabinet Secretary confirm the total Welsh Government investment through the Transforming Towns Programme in north-east Wales since 2020? (WQ97837)**

Transforming Towns is a coordinated package of support, which provides the Welsh Government's core regeneration investment in town and city centres. Individual towns can benefit by identifying the mix of interventions, including development funding, revenue funding for the development of Placemaking Plans, Placemaking Grant, strategic grant and loan funding.

The total investment in north-east Wales since the launch of Transforming Towns in 2020 is £42,454,605, allocated as follows:

- £14,394,816 to Denbighshire County Council;
- £5,577,986 to Flintshire County Council; and
- £22,481,803 to Wrexham County Borough Council.

I hope this information helps.

Yours sincerely,

Jayne Bryant AS/MS
